Honorary Treasurer's Report - December 2017

Financial Highlights

The Society remains financially sound with the General Fund in good condition.

The Society registered a total income of \$13,351, compared to \$38,879 from the previous year. This was due to a drop in event income.

Membership subscriptions totaled \$8,680 this year, compared to last year's \$11,340. This is mainly due to a drop in life subscriptions.

As 2017 was not an Annual Dinner year, event income dropped from \$27,539 in 2016 to \$4,671 in 2017. Similarly, total expenditure dropped from \$39,012 in 2016 to \$26,668 in 2017. This expenditure included the \$10,758 in-kind donation to NCCS to defray *Row for Hope 2017*'s operating cost. This also included a one-off \$9,000 investment into the website refresh.

Due to the website refresh and the *Row for Hope* commitment, net deficit for the Society in 2017 stood at \$13,240 down from a net surplus position of \$819 in 2016.

The society remains financially sound with the General Fund in good condition.
